Christmas Party with Highland Voices

**Christmas Eve - Santas visit!**

It surely cant be *that* time of year again? It seems like only yesterday we were taking the tinsel down and hoovering up the pine needles! But on a more serious note, last years wish was that this year would be slightly better. We have had our ups and downs but, we have seen the return of visiting and even a return to live entertainment in the home. So, dare we once again wish for next year to be another step in the right direction? We certainly hope so. Here's hoping one day we will look back on face masks and daily testing as tasks that are consigned to the history books. We'll be back in the New Year with all your festive photos from Grandview House

TRAILBLAZER AWARD 2021

Grandview  
& Mains House

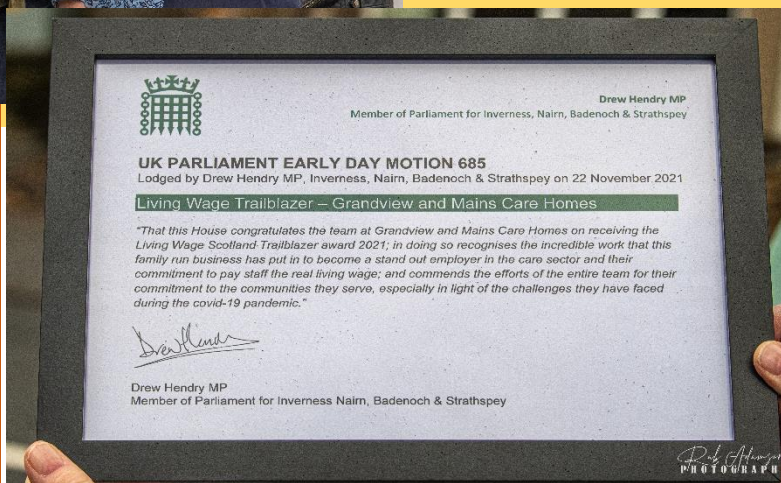

**We won!**  
Last month we announced that that we were finalists in the "Scottish living wage – trailblazer award" as the first care home in Scotland to pay ALL of our staff above the current rate. Well, we only went on and won! This has since lead on to Drew Hendry MP Raising an early day motion for a mention in the UK parliament for ourselves and Mains House. All the photos and the full story is on our FB page.

Our residents love to see visitors in Grandview. Sometimes though these visitors have four legs and a waggy tail! Meet

Orrin, Activities co-ordinator Sharon Davies brought him along to visit our residents. Luckily he took a shine to Erica, I wonder if it was anything to do with the endless supply of doggy treats she keeps with her? These canine visits can be crucial to our residents wellbeing and are much appreciated

Cards, presents, and a massive cake all make for the perfect birthday celebration. On 19<sup>th</sup> November Sheila celebrated her birthday with us here at Grandview and she was overwhelmed with all of your messages and good wishes on our Facebook page. Happy Birthday Sheila.

We would like to wish all of our staff, residents and their family & friends **A very Merry Christmas and a Happy New Year**
