

Grandview House Ltd Accommodation

Grandview House Care Home is situated on the High Street in Grantown-on-Spey near to the River Spey, which is a renowned salmon river.

Grantown is a small, picturesque town, with a strong local community. The Home's location is such that all local amenities, shops, banks etc. are within easy walking distance.

Grandview House is registered with the Care Inspectorate for up to 45 elderly. We have two double rooms, which can be utilised for couples, both of these rooms having an ensuite bathroom. All of the other rooms are single bedrooms, which we encourage our clients to personalise with their own belongings.

We have two large bathrooms with specialised baths, which have a Jacuzzi facility for optimum comfort. Walk in showers are also available for residents.

There is a large dining room. A main lounge, reception area and a small lounge.

There is a closed garden to the rear of the building.

The kitchen is fully equipped and the Chef can cater for most dietary needs.

People who are considering moving to Grandview House are welcome to visit as often as they wish and may bring friends and/or family members with them when viewing the home

GRANDVIEW HOUSE CARE HOME

RESPIRE SERVICES

At Grandview we recognise the needs of carers in the community, we offer long and short-term respite care. Families that have been caring for a loved one at home need to take regular breaks as caring can be intense work. A respite holiday can recharge their batteries and give both client and carer a rest.

We can arrange respite care to meet individual's needs, our skilled team of staff offer care 24 hours a day, the length of your stay is optional, respite care can be arranged to suit your needs. If you choose Grandview for your respite you will have access to the following facilities: Jacuzzi

baths and walk-in showers, activities coordinator,
*hairdressing and chiropody, your own private room, en-suite rooms available, wheelchair access and lifts to all floors, access to a telephone, specialised diets catered for by our trained chef, and open visiting times.

The activities coordination team at Grandview organise activities and you are welcome to join in, we have a mini bus and have regular trips out around the picturesque countryside.

The home follows the national care standards and is inspected regularly by the Care Inspectorate, you are welcome to read our latest inspection report if you wish, prior to admission.

To access information regarding any aspect of respite care at Grandview you can contact your social worker or contact us directly.

* Please note that although there are no additional charges for personal care requirements, there are additional charges for hairdressing, newspapers, toiletries and any other extras as required by the client.

Funding arrangement's

People who reside at Grandview House can be privately funded or funded through NHS Highland. NHS Highland pays the home a set fee, the amount that you pay is assessed by the NHS. If you are self-funded (i.e. no contribution from NHS Highland) you may be entitled to free personal and/or nursing care allowance, which will help towards the cost of your care. This allowance will be dependent on your own particular situation; again this will be assessed with help from the NHS. Before entering the home the financial elements of your care package will be discussed with you along with methods of payment. There is a client's contract which details the terms and conditions of residency at Grandview House, depending upon the outcome of the financial assessment this contract will identify the fee level. Do not worry you will not be asked to sign any documentation that you are not happy with and that has not been fully explained to you and/or your representative

By discussing fully and in detail financial arrangements you can plan longer term so that you can be reassured that your place at Grandview House remains secure even if your own private funds were to be used and you needed to be funded by the NHS Highland.

The fees for the current year April 2021 – March 2022 are as follows:

Residential rate: £653.91

Nursing rate: £762.20

Self-funding rate: £1,233.10

If Double rooms are occupied by a single person an additional £100.00 will be charged.

These rates are the maximum charge per person for a weekly stay at Grandview and does not take into account any NHS Highland funding which may be applicable.

These fees will be reviewed at the beginning of each financial year which is 1st April – 31st March.

Route 1 and Route 2 contracts accepted, ie. NHS Highland and self-funding clients.
Route 3 contracts will not be offered, ie. Where self-funding clients pay NHS rate.

“From April 2007 a National Quality scheme for Care Homes is being phased in across Scotland. What this means is that the standard charges may vary depending on the quality of the service provided. If this happens we will advise you – this is unlikely to affect the charge you pay unless you are a self-funder

Moving On

If you choose to move to another Home, you are involved in plenty of time in planning and discussing the best way to prepare you to move on. The planning and discussion also involves your carer or representative (or both), and the staff at the care home.

Home Closure Policy

In the unlikely event that Grandview House were to close or ownership was to change The Client's, relatives, care managers, funding bodies and the Social Care and Social Work Improvement Scheme would be given 3 months' notice.

The opportunity would be made to meet with each client and/or representative to discuss their preference for alternative accommodation (if the home were to close). The client and/or representative would have the opportunity to visit the new accommodation to see if they were satisfied with their transferring there.

All efforts will be taken to ensure as little disruption as possible to the person's daily routine.

In the event of change of ownership each client would have the opportunity to access an alternative care facility if they wished to do so.

It is important to note there are no plans for the ownership to change and the fact that Grandview House has been open since 1989 it is extremely unlikely to close.

Inspections

Inspections will take place by the Care Inspectorate on a regular basis. Service users will be encouraged to participate in any queries regarding the standard of care we provide. Inspection reports are available on request, from either the home or directly from the Care Inspectorate

Complaints

If you have any complaints with regard to any aspect, please report your concern immediately in order that it can be resolved. You can complain to your 'key worker' the Care Manager, the Manager or directly to the Care Inspectorate at: Great Glen House, Leachkin Road, Inverness, IV3 8NW.
